

CLASS G5 LOCOMOTIVE COMPANY LTD

COMPONENT SPONSORSHIP

There are many people, like yourself, who would like to support the construction of the G5 locomotive financially, but do not want to become an investor as such. So, we are giving you the opportunity to provide become involved in the project by providing part of the finance for a specific part.

Below is a list of some of the specific parts that the locomotive will need over the final part of its construction. We, the Company, pledge to match your investment so we are only asking you to pay half of the cost – we will pay the other half. Unless, that is, you want to sponsor the whole cost of a particular item!

In recognition of your support in sponsoring a part we will:-

1. Your name inscribed on an official sponsorship board that will be displayed at every event the locomotive goes to before it is completed and when it is working; this will detail the part you sponsored.
2. send you a certificate recording the details of your sponsorship.

Parts Currently Available for Sponsorship:-
